

Join us Thursday, October 6th for a fun and informative program on
“How To Prepare Your Kids For Kindergarten”.

Maria Smith is a veteran educator and published author and children’s entertainer. She is the creator of *Cool School with Ms. Maria*, an educational video and music CD series for children.

Maria will join us for our monthly NDECPTA General meeting and share helpful, creative ideas on getting your little ones school ready. She’ll also help answer that tough question, “is my child ready to go to Kindergarten?”
